To whom it may concern

It is with great pleasure that I am writing this letter of recommendation for Shaista Shabbir, who served as a Computer Lecturer at the Department of Computer Science and Information Technology at University of Kotli AJK from May 2019 to Oct 2022, and have found her to be an exceptional instructor and a valuable member of our team.

Ms. Shabbir has a strong background in computer science, with a particular focus on Software Engineering, Data Structures, Data Science, Machine Learning, AI, Database and Web Development. Her expertise in these areas has allowed her to deliver lectures and seminars that are informative, engaging, and accessible to students of all levels. Her ability to break down complex topics into simple concepts has been a key factor in the success of her classes.

In addition to her excellent teaching skills, Ms. Shabbir has also been project supervisor, Member of Exam Committee, Member of the Board of Studies and an active contributor to research in the field of computer science. Her knowledge and expertise have allowed her to publish several papers in respected academic journals, and she has been invited to speak at conferences around the world.

Ms. Shabbir's contributions to our department of CS & IT have been immeasurable. She has always been willing to take on additional responsibilities and has consistently demonstrated a high level of professionalism and dedication. Her commitment to excellence has been evident in everything she does, from developing course materials to mentoring students.

Overall, I can confidently recommend Shaista Shabbir for any position related to her expertise. She is an outstanding Software developer, teacher, researcher, and colleague, and her contributions to the field of computer science are significant. I am certain that she will continue to be a valuable asset to any organization lucky enough to have her on their team.

Sincerely,

To whom it may concern,

I am writing to recommend Shaista Shabbir for any job opportunity related to her expertise. Shaista Shabbir worked as a part of the development team of CMS (College Management System) at Punjab Group of Colleges Kotli Campus from Nov 2017 to Jan 2019, and during that time, she demonstrated excellent skills in the development and maintenance of the college's CMS system.

Shaista Shabbir was responsible for the design, development, debugging, maintenance, updating of records, and reports generation on the CMS system. She worked diligently to ensure that the system requirements were rightly implemented, data is accurate and easily accessible to the relevant stakeholders. She also displayed excellent communication skills, and She was able to effectively communicate with the head office development team, campus faculty, staff, and students to address any issues that arose with the CMS system. Shaista Shabbir bridged communication between the head office and Kotli Campus, relaying and implementing the information by making reports and composing emails on the CMS platform. She was always willing to go the extra mile to ensure that the system was functioning optimally and that everyone was using it correctly.

Shaista Shabbir was an asset to the Punjab Group of Colleges Kotli, and She would make an excellent addition to any organization looking for someone with efficient Software development and maintenance skills. She is an excellent team player, delivering milestones and meeting deadlines. She is good at handling pressure I highly recommend Shaista Shabbir for any job opportunity related to her experience.
